ADDITION AND SUBTRACTION FOR INFANTS WORKBOOK

BUR-2009

Addition and Subtraction for Infants Workbook will provide students with practise in completing addition and subtraction sums up to twenty.

- The students are asked to complete addition and subtraction sums and then use a colour code to complete a picture.
- Ideal for the classroom or casual teacher. These activities are also excellent for fast finishers or as homework assignments.

This book is suitable for the following grades in different states.
